the semi-annual payment of interest, and, finally, that registered bonds should be convertible into coupon bonds. It is argued that, if these changes were made, the marked difference in value between the registered bonds—which are the more secure, but less valuable—and compon bonds would disappear. It would, besides, prevent the great rebberies of bonds prevalent at present, by removing that which most of all suggests them—immunity from detection.

The World Grows Wiser .-- The human much has been a shamefully persecuted rgan. There was a time when for every direliction of duty it was punished with huge direction of duty it was punished with hinge-doses of the most disgusting and nauscous drugs. In vain it rejected them, and (lite-sarry) returned them upon the hands of those who administered them. They were forced upon it again and again, until its solvent power was thoroughly direnched out of it. The world is wiser now than it was in that drastic era, when furious purgation and mer-curigal salivation were what Artennis Ward would have called the "main hoit" of the faculty, it cases of dyspepsia and liver com-pisint.

plaint.
The great modern remedy for indisgestion
and hillousness is HOSTETTER'S STOMACH
and hillousness is HOSTETTER'S STOMACH BITTERS, a preparation which has the merit of combining a palatable flavor with such tonic aperient and antibilious properties, as were never heretofore united in any medi-

ple are not like the labled Titans, who found prestration so refreshing that when knocked down they rose from the earth, twice as vigorous as before. When an invalid is prostrated by powerful depleting drugs, he is apt to stay prestrated; and the debilitated being aware of the fact, prefer the building up to the mocking down system of treatment.

HOSTETTER'S BITTERS meets the requirements of the rational medical philosophy which at present prevails. It is a perfectly pure vegetable remedy, embaracing the three important properties of a preventive, atonic, pure vegetable remedy, embracing the three important properties of a preventive, atonic, and a alterative. It fortificathe body against disease, invigorate, and re-vitalizes the torpid stomach gad liver, and re-vitalizes the torpid stomach gad liver, and reflects a most salutary analige in the entire system when in a morbid condition.

In summer, when the enfecting temperature renders the human organization particularly susceptible to analogome atmospheric has access, the Bitters should be taken to a protection against epidemic disease.

We Can't Keep House Without It! s the universal expression of every one who THOLEY'S BARING POWDER.
